

EDITOR'S NOTE

The editor's task has been made easy, thanks to the efforts of the outgoing editor, Mr Sidney Wang, who has handed on typed, proof-read articles for this issue. Sidney's work as editor of the EALRGA Newsletter has been much appreciated.

The current Committee is aware of the importance of the newsletter in maintaining contact with a somewhat sparse and scattered membership. In view of this, and because of an increase in the availability of copy, the Committee has decided to publish the Newsletter twice yearly.

Members are asked to note the call for membership renewal, as well as for papers for the forum at the forthcoming ASAA conference in Canberra in February, 1988.

Articles or news for inclusion in the Newsletter should be addressed to:

Mrs Susan MacDougall,
2 Wirraway Crescent,
Scullin, ACT 2614

OR c/o Centre for Library and Information Studies,
School of Liberal Studies,
CCAIE, PO Box 1,
Belconnen, ACT 2616.
