**2012 International Seminar on Chinese Digital Publishing and Digital Library (CDPDL)**

**Hosted by**

**University Library, The University of Hong Kong**

**University Library, Tsinghua University**

**China Academic Journal Electronic Publishing House**

**Organized by**

**Tongfang Knowledge Network Technology Co. Ltd., Beijing**

**June 25-30, 2012**

**Kunming, China**

This year's seminar aims at exploring the construction and service mode of Chinese digital resources in the context of cloud publishing. Through reflecting on construction of Chinese resources collections in overseas library and their problems and solutions, participants are invited to explore the rapid changes in overseas China Studies and new demand in Chinese resources accordingly. Other related topics are also welcomed, like role of digital publishing in spreading Chinese culture and how it could be used together with the traditional publishing in a better way.

Librarians, scholars and others who hold interest in the topics above are most welcomed to join the seminar.

### **Topics**

Papers with following topics are expected by the Seminar. The topics include

Constructions and Applications of Digital Library

Chinese Digital collections and Services

New Models of Digital Publishing and Service

New Thinking of Library Strategic Development

Chinese Cultural Digital Library

Cloud Publishing, Cloud Digital Library and Cloud Service

### **Paper Formats**

Chinese and English papers are both acceptable yet Chinese is recommended. Papers shall be submitted in Word or RTF formats.

The original typescript should be submitted electronically in A4 size in format of Word format, with a word count of 3000-5000 (excluding figures).

The text of Chinese paper should include title (Hetu, 4), abstract, Keywords, and full-text in Songti 5. References and notes, tables, figure captions, figures shall comply with Editing and Composing Norms for Social Science Journals in the Higher Institutions of Education in China.

English papers shall follow the requirement of The Chicago Manual of Style, 16th edition. The abstract, which composes of up to 250 words, must clearly and succinctly present the manuscript's subject, significance and its contribution.
